

Dec. 10, 1984

As Salaam Alaikum Malika,

I missed you again, it seems our timing is always off. But everyone (children) sounded good, and I also spoke with Jamal about his missing school. He tells me it was only two days missed? So let me know if that's the case or not.

Sister I was going to send you some money, but instead Babe will ~~send~~ give it to you for the children's gifts for Yvonne. The items are as follows 2 watches (Jamal + Babe) 10<sup>00</sup> and ~~five~~ <sup>five</sup> Calculators 7<sup>00</sup> (for Malika, Malik, Fatima, Malik and Janice) the catalog number for the items are as follows.

watches 63-5058 Calculators 65-501 (Radio Shack)

It's just a little something for them for the holidays. However I spoke to Salomon, and advised him that his would be predicated on whether or not his grades improved. If they haven't this report card, then his will just be held until such time.

Babe had mentioned that there was some canned honey around. Tell her I said the next time she can bring a food package to pick up the honey also, I think they will allow it in.

Also she will tell you about the baked bread and relish. Ask Babe did she pick up the magazines and folders that I sent out.

Did you take care of the information at N. 1 BPP for me?

I understand the people who were released were locked up again for refusing to testify before G.J.?

As Salaam Alaikum  
Love you

Abdul
