Dear Richard:

Enclosed are copies of the supplemental responses recently provided by both U.S.D. 501 and the State defendants and a short summary describing their contents. I've also enclosed a copy of our responses to the State defendants' interrogatories.

We're preparing a motion to compel discovery on the faculty questions Gary has refused to answer. We may also move to compel for further answers if we don't get any more supplemental responses by the end of the week.

I'm sorry to say that I won't have the pleasure of working with you again as my fellowship has come to an end. I worry little about the progress of the case after I leave because it is in the best of hands.

Good luck with the trial (or settlement negotiations). I hope we'll meet again.

Very truly yours,

Elvia Rosales Arriola
