Dear Bill,

Enclosed is a copy of our summary of the State's supplemental responses (sent to you earlier) and a complete copy of the booklet, "Accreditation Regulations Applicable to Kansas Elementary & Secondary Schools and School Districts" (an attachment to the State's supplemental response to interrogatory no. 17).

I have culled specific items from the School Board minutes which are of particular interest and relevance. You will note that in the attached copy of our Document Control I've grouped each item chronologically by subject category, starting with document no. 419.

Sincerely,

Elvia Rosales Arriola
