

A PERSONAL NOTE:

With all due respect... You **THINK** that you understand the problem out here, but I am here to tell you that you do not have a clue. These young Black male's are no different than the thug's in East and West Africa. They **ARE** crazy, as in "**LOCO!**" They are ignorant, and they are vicious, and you can not rehab them. I have lived out here in this pesthole for most of my adult life and I know them well. These character's will rob you, and beat you, and they will

boast of it to their dim-buddies if they actually **KILL YOU**. They are **BRUTE'S** and they enjoy being **BRUTE'S**. It isn't **RACE**, it's culture!
