Dear Reverend King:

The agenda of speakers for the Tuskegee Institute Chapel for the year 1956-57 is now in the process of being prepared. Each year we try to include on our agenda men who have valuable contributions to make to our students in the area of religion and life.

Kindly advise if we may include you on our agenda to deliver the sermon in the Tuskegee Institute Chapel on Sunday Morning, November 11, 1956, at eleven o'clock. The service lasts one hour. From twenty to thirty minutes are allotted the speaker.

Our average chapel attendance ranges from about 1800 to 2000 students, teachers, staff members and friends.

If you can find it convenient to serve us, kindly submit your subject at your convenience. We can offer you an honorarium of \$40.00 for this service.

Sincerely yours,

Daniel W. Wynn
Chaplain
