Hi Sister,

Hope all is well with you and your family.  
Sorry for the broken lines of communication - I  
am spending a fortune on long distance phoning  
in my Job Search - yes, I am still unemployed.  
I drove down to New Orleans for 1 day filling  
out applications - no word as of yet. Currently,  
I am in Dallas TX flew down on Monday,  
have four interviews set-up for this week -  
Praying/Hoping for some positive outcome.  
Dallas is a beautiful city, feel very much at  
ease here getting around on the many freeways  
without any problems. I feel this is the place  
for me in the south. So, if things go well, I hope  
to be moved by April. Dallas is about a 6 hr  
drive from Jackson, MS, so if mom needs me,  
I'm close enough. It is time for me to get  
out of Jackson, MS before I lose my sanity  
and finance - I am sure you understand  
this situation.

So, what is going on in New York?

I was just dropping a quick line to bring you  
up-to-date on my progress.

Thanks, Malika, for letting me reach out to  
you in this manner, and I really do miss our  
long conversations (phone). I will be using the  
postal service for a while.

Well, I am closing here a busy day on Friday  
more interviews and I fly out on Saturday  
morning back to Jackson, MS, but this have  
been like a very needed resation, I feel so  
much positively and mentally stronger.

Give my love to ALL!

Take Care Always! and I will keep you  
posted on my progress.

Love You,  
Your Sister,  
Jo
