Dear Dr. Gore:

You will recall that our Annual State Conference of
Agricultural and Home Agents which was to have been held
here at the university October 11 - 16, 1954 was postponed
because of the local Polio situation.

This conference has been re-scheduled for November
29 to December 3, 1954. Our plans still call for you to speak
to this group during the opening assembly Monday morning,
November 29, at 8:30 in the assembly room of the New Home Econo-
mics Building.

Your presence will mean a great deal to all of us. I am
