Dear Dr. Foster:

The enclosed paper was written by one of our former student interns. I think you will find it helpful background for your work on Brown III.

We understand through Bill Lamson that you can be integrated into the process before he finishes his report. You can expect a call from Chris in the next few days about this. We have agreed with the defendants that both expert reports are due September 30th.

I have also enclosed a copy of our new schedule as agreed at the last status conference with Judge Rogers.

Happy summer!

Very truly yours,
