## MEMORANDUM

TO: Participating New Afrikan Women in the August 1-3, 15 ADM  
Organizing Meeting

FROM: Sister *Nehanda* - New Afrikan Womens Organization (NAWO) N.Y.

SUBJ: Proposed Position Paper

DATE: July 17, 15ADM

FREE THE LAND!!!

It was the opinion of members of the New Orleans and New York cadre that in addition to the position papers outlined in the May 28, memo from Sister Fulani that the following paper be included; "The need for a New Afrikan Womens Organization during this period and its relationship to the Black Liberation Movement". You might want to include how Afrikan /New Afrikan women have historically contributed to their respective liberation struggles.

Hopefully out of the combined papers We will be able to have a document that can be used for national dissemination to inform and organize other revolutionary New Afrikan Women.

To lessen the financial burden of our hosts, it would be helpful if all information you bring is already xeroxed for the cadre attending the meeting (15 - 20 copies).

To facilitate adequate housing arrangements you should contact Sister Fulani (504 241-2498) no later than July 27th, of your expected arrival date and how many are coming from your area. You should also contact her for any additional information regarding the meeting.

I look forward to meeting and working with you at our first organizing meeting.
