

Hey now

Thur 2/18/93

I loved the pictures, but I didn't know whether you wanted me to send them back. Did you? If so, I will, okay?

So how the hell are you? Please say hello to Carolyn.

This is really a first. Two letters from you in one year, and it's only February. Plus, both of them were written this year. Smile

I think we're supposed to be going to Dexa's in two weeks - Fri. 3/5. I'm going to write her tonight to be sure. Are you going? Do you want to drive that distance, or would you prefer to take Amtrak? Write me back soon, or call me at work, so I'll know what's up, okay?

Meanwhile, the weather will be decent by April, which isn't far away. I'm sure I'll get to Connecticut then. You can show me the town - especially the woods.

This will be brief. Until I hear from you - be cool.

Love,
The Elder Nzingha
