Dear Bill:

I assume your report didn't get done before you left. Any idea when we can get the first draft?

Depositions are now scheduled for September 18-20. I hope to do Tribby (the planner), Bolton and Godwin (past superintendents), five present and former Board members and head of the Adventure Center. It seems to me you should be there, but we ought to talk about it. These may be our last non-expert depositions.

I hope you had a good time.

Sincerely,

A handwritten signature in blue ink that reads "Chris".
