NO. 9 [e, f, h.l, i, j, k]

9. State separately for each school in existence and for each school year during the school years from 1950-51 to 1979-80, the following:

- e. Date of closing;
- f. Grade served;
- h. Student enrollment by;
 - l. Total number of students;
- i. School attendance zone description by providing a boundary map with a demarcation of the attendance zone;
- j. Name of next school to which students are fed (inapplicable to high school);
- k. name of lower schools from which students are fed (inapplicable to elementary schools).

ANSWER:

Attached hereto is the response of Unified School District No. 501 to Interrogatory No. 9 [e, f, h.l, i, j, & k] which was prepared under the direction and supervision of Gerald A. Miller, Director of Demographic Services for Unified School District No. 501, with the assistance of Mary Catherine Billinger, part-time secretary; Jennie Grantham, part-time secretary; June Smith, part-time secretary; Mary Lou Ziegler, part-time secretary; and Mary Belle Tilley, administrative secretary.

In answer to subparts i, j and k of Interrogatory No. 9, complete information and maps from the 1963-64 school year through the 1980-81 school year have been supplied. Material and maps have been assembled for two types of presentation by (1) elementary school level [K-6] and (2) secondary school level [Gr.7-12]. Within the elementary education level, one book [red cover] presents the answers to Interrogatory No. 9i by school year, while the second book [blue cover] presents the answers to Interrogatory No. 9i by school name.

The information regarding secondary education level has been prepared in one book [orange cover] by school year, and in another book [brown cover] by school name. The information is presented in this manner because it was felt that in some respects the request focused on a district-wide view of a given school year, while other aspects of the request dealt with the long-term history of a given school for the period.

Copies of several maps from different sources for the period 1950-1963 are presented under the heading of "MISCELLANEOUS 1950-63". The maps showing elementary attendance areas are shown as follows:

1. Map of Elementary School Attendance Areas for 1951-52 as submitted to the Court herein on September 15, 1955, as defendant's Exhibit Z;
2. Copy of 1952-53 Elementary Attendance Areas from The Topeka Daily Capital, August 25, 1952, p. 5;
3. Copy of 1954-55 Elementary Attendance Areas from The Topeka Daily Capital, September 6, 1954;
4. Copy of 1955-56 Elementary Attendance Areas from The Topeka Daily Capital, August 17, 1955, p. 20;
5. Copy of 1956-57 Elementary Attendance Areas from 1956-57 Teachers Handbook; and
6. Copy of 1958-59 Elementary Attendance Areas from The Topeka Daily Capital, August 21, 1958, p. 26.

Official maps for the period of 1950-63, with the exception of the first map listed above (Defendant's Exhibit Z) cannot be located.

The dates of school closings [Interrogatory No. 9e], grades served [9f], and enrollment [9h.1], are submitted according to the official school enrollment records and cover the period beginning with the 1950-51 school year to the present.
