Tuskegee Institute
Tuskegee, Alabama 36088

Dear Reverend Johnson:

I would like to confirm the commitment which was made by my sister, Mrs. Bagley, on my behalf to be your Vesper speaker on April 12, 1970.

With happy anticipations, I shall look forward to coming to Tuskegee Institute next spring. I will look to hear details relative to arrangements as the date of my appearance approaches.

Sincerely yours,

Coutta Scott King
