Dear Mrs. Tilly:

I hope that your trip from Cheshaw to Atlanta was not a tiresome one, and that you arrived in Atlanta on time and in good condition.

In behalf of the Tuskegee Civic Association, I thank you kindly for the service which you rendered on the Second Sunday, in our observance of Race Relations Sunday. Several persons have expressed their appreciation of your visit, and hope that you will be able to return sometime in the future.

I am inclosing, (1) a check for \$42.00 which represents the honorarium promised and the transportation cost, and (2) the copy of the Daily Activity Sheet, published by Tuskegee Institute. You will note that the editor commented briefly on your message here.

With best wishes, I am

Sincerely yours,

C. G. Gemillion  
President
