Dear Mr. Curtis:

A review of the Rosewood Property Affidavit and the accompanying information that you submitted to this office has been completed. It is the decision of this office that there is insufficient evidence to support your claim.

Your request for compensation as a descendent of a Rosewood property owner is therefore denied.

Sincerely,

Robert A. Butterworth

Florida seeks survivors of Rosewood massacre

TALLAHASSEE, Fla. — The state plans to begin advertising Wednesday for survivors of the 1923 Rosewood massacre who are eligible to collect a share of \$1.5 million in compensation.

The deadline to apply for compensation is Dec. 31. At least eight survivors have been identified.

On New Year's Day 1923, some whites burned almost every building in Rosewood, a community of about 120 residents near Gainesville. At least six blacks and two whites were killed.

The claims law established a \$1.5 million fund to pay up to \$150,000 each to survivors. It also provides \$500,000 to reimburse families who lost property and \$100,000 a year for college scholarships for Rosewood family descendants and other members of minority groups.

1 Vote Import Florida seeks survivors of Rosewood massacre

TALLAHASSEE, Fla. — The state plans to begin advertising Wednesday for survivors of the 1923 Rosewood massacre who are eligible to collect a share of \$1.5 million in compensation.

The deadline to apply for compensation is Dec. 31. At least eight survivors have been identified.

On New Year's Day 1923, some whites burned almost every building in Rosewood, a community of about 120 residents near Gainesville. At least six blacks and two whites were killed.

The claims law established a \$1.5 million fund to pay up to \$150,000 each to survivors. It also provides \$500,000 to reimburse families who lost property and \$100,000 a year for college scholarships for Rosewood family descendants and other members of minority groups.

Dear Rosewood Claimant:

Enclosed is a "Rosewood Property Affidavit" for persons claiming eligibility for monetary compensation under the property section of the Rosewood legislation. To qualify for compensation the claimant must meet the following definition: the claimant must be a descendent of, "African-American families of Rosewood, Florida, who demonstrate real property and personal property damages sustained as a result of the destruction of Rosewood, Florida, in 1923."

The Florida state laws of intestacy, Florida Statutes, Chapter 732, will determine how compensation will be distributed among family members. Generally, the oldest living descendent would be the person or persons to receive compensation under these provisions.

If you meet the above definition and wish to apply on behalf of yourself and/or your family, you must complete the section entitled, "Rosewood Property Affidavit". Complete all questions to the best of your ability. If you are unable to answer a question, indicate that you are unable to do so and why. The affidavit must be received by this office no later than January 19, 1995.

All information is to be mailed to:
