Dear Malika,

How are you and your friends.
I hope you have arrived home safely.
It was very nice meeting you, I think
you have a nice personality.
School is now open and summer holiday
is over. Do you know that I am going to New Hampshire
probably October in U.S.A.

It is 95°F today it has been very warm
November to December will be about 86°F which
is still warm but that is the coldest for the year.

I am sorry you have missed the Sun-
Splash it was very nice. I am not in Mont-
ego Bay anymore because school is open.

When I am finished this course I
will advanced it in New Hampshire.

Please keep in touch with me that
you will know when I will be arriving
in the States.

I am married but I did not let
the people at the store know, I was
married in last year.

Bye for now
Juliet Greene.
