Dear Dr. Gore:

Your letter of March 19, 1962 informing me of my selection to the Famu Hall of Fame was received today, May 21. I regret very much that it came via boat mail and did not arrive before the inaugural ceremonies which would have given me an opportunity to get a congratulatory telegram to you on the evening of April 8.

May I commend you and those who are responsible for implementing your long time dream. I am sure those Famuans and others in Florida and other parts of the United States as well as overseas fully realize the importance of this occasion and its contribution toward stimulating greater service among Famuans in the various fields of endeavor.

As for me I humbly accept the honor with humility and will continue to live up to the trust and responsibility reposed in me by the Government and people of the United States.

Sincerely yours,

Frank E. Pinder
