For administrative purposes, Unified School District No. 501 is the employer of the employees of the Kaw Area Vocational-Technical School.

10. Are said instructors' salaries paid in full by the Board of Education or by some other organization? If they are paid by someone other than the Board of Education, please provide name and address of said organization.

ANSWER:

Salaries are paid through Unified School District No. 501, but the monies funding these salaries come from the sources described in answer to Interrogatory No. 8. In regard to apprenticeship classes, the trade unions provide a portion of the instructors' salaries, and this is paid by the unions directly to the instructors.
