Dear Dr. Gore:

As the referee in the Florida-Xavier game in Jacksonville last Saturday night I feel it is my duty to call to your attention the delay in starting the game. This delay was necessary because the band was late leaving the field. I did not penalize the "Rattlers" because it was no fault of Coach Gaither or the team. The pre-game activities of the band were entirely too long. This is my second experience of this type of delay in Florida games; both caused by the band.

Last year the Florida-Southern game was delayed at the start of the second half for the same reason.

This type of delay may not only cause the team to receive a penalty in the future, but may also bring on unfavorable criticism from sports writers and fans.

Very truly yours,

J. Lang Kershaw

Kindly let us know how Mrs. Lang is progressing.
