OFFICE OF THE PRESIDENT

Dr. F D Patterson  
Tuskegee Institute  
Tuskegee, Alabama

Dear Dr. Patterson:

We were greatly shocked to have the news of the passing of Dr. Monroe N Work. The service he rendered the entire Negro race over a period of years was of inestimable value and he will be missed very much. The faculty and students of Florida A and M College join me in expressing sympathy to his family, to you and your co-workers.

Sincerely yours,

  
Wm. H. Gray, Jr.
