Dear Bill,

At Elvia's request I compared the list of optional attendance zones from our response to USD 501's first set of interrogatories with the response from USD 501 to our interrogatories (#'s 10,11,18,26,27,&28) dealing with optional attendance zones and transfer plans. We have a binder from USD 501 containing descriptions of some of the zones but there are others, listed by you in our response, of which we have no description. Enclosed please find a list of those optional zones you listed in the response we prepared for April for which we found no description.

Sincerely, *Yours*
