

ANSWER:

Attached hereto is the response of Unified School District No. 501 to interrogatory No. 9 [e, f & h.1] for the 1940 to 1950 time period. The format for submitting these answers is the same as that utilized by the School District in answering these interrogatories for the school years beginning 1950-51, which were served on intervening plaintiffs on March 30, 1981. While the information provided relates to all schools operated from 1940 to 1950, only two school buildings were closed during that time period; namely, Branner and Branner Annex.

In addition, with regard to information sought by Interrogatory No. 9 [h.2-4], attached hereto is the response entitled "Comparison of the Total School Enrollment in the District Black Schools With Total Black Students Included State Parts and Annual Census for Years 1940-1950" which is submitted as the only available evidence of the racial makeup of various school enrollments during this time period.

This response was prepared under the direction and supervision of Gerald A. Miller, Director of Demographic Services of Unified School District No. 501.
