

OFFICE OF THE PRESIDENT
TUSKEGEE INSTITUTE
ALABAMA

June 2, 1958

Mr. C. G. Gomillion, Chairman
Division of Social Sciences

Dear Mr. Gomillion:

I thank you for your fine cooperation and effective service during the past year. The over-all success of our work is due to the dedicated and productive efforts of you and your associates. The outlook for the new year is highly encouraging. Faculty development is moving forward and in other ways I believe our program will continue to gain strength and serve with increasing effectiveness.

I shall be away from the campus from June 5 to July 15 inspecting our vocational education program in Indonesia. I shall have the opportunity, also, for brief visits in other Far East countries and in Africa. I appreciate this opportunity to learn more about the world in which we live and the people who make this world what it is. Through better understanding of the larger issues which confront people everywhere, it is my hope that we at Tuskegee Institute will be better able to fulfill our specific responsibilities.

I hope the summer will be pleasant and professionally satisfying to you. Thank you for helping to see that our program continues to move with dispatch and with great effectiveness while I am away.

Sincerely yours,

L. H. Foster
President
