

MEMORANDUM

7/11/80

TO: IBIDUN SUNDIATA
FROM: NAWO
RE: RESIGNATION

As of this date we have not received any communication from you in regards to your resignation from NAWO.

We view your resignation and hasty departure from our meeting as highly unprincipled and unbecoming a New Afrikan woman of your distinct background and high regard in our community.

Please communicate with us either by letter or in person as to your precise reasons for resigning, the precise nature of the contradictions and why you chose resignation as a means of resolvment as oposed to principled discussion.
