Nub,

Tomorrow is your birthday.

Tomorrow is also my mother's birthday

Ain't that a coincidence. I know it
grabs you.

Anyway, Tuesday is my birthday.

Also, Tuesday would have been Changa's
birthday.

Ain't that a coincidence. I know it
grabs you.

Anyway. Happy birthday. I know
and hope your next will be in
daylight.

Much love & fierce struggle.

Dear Nih,

Happy birthday.

Stay strong my brother

I love you. May your next be in daylight.
