Dear Mrs. King:

I am aware that you have received so many copies of Memorial Services held in honor of your distinguished husband, that you can hardly count them.

I'm sure you count Tuskegee Institute among your warmest friends, and I believe that our Memorial Service was one of the first and finest held throughout the nation.

May God continue to bless and sustain you. Please call upon us at anytime for any help that we may be able to give.

With kindest personal regards, I am

Yours In His Service,
