PANTHERS HARRASSED BY F.B.I.

For the last six weeks the F.B.I. (Federal Bullies of Intimidations) has been harrassing brothers of the Black Panther Party. The reason for this is because these brothers have been trying to do effective community work.

Our brothers have been talking to and involved in such things as the schools, which is one of the systems most vicious tools. The schools are supposed to be used in the interest of the community but being that we have no control over them, they have been used to destroy the minds of our children. If you study the segregated board of education you will see that it is purposely set up to omit anything constructive that our people (Africans & Afro-Americans) have contributed to mankind since the existance of our people. Which dates back more than any four-hundred or four-hundred and fifty years. They don't teach our children about how they once lived in very high civilizations i.e. Ghana, Mali, Songay and hundreds of others. We have a history that goes back over 50,000 years of kings, queens, chieftains and the lot.

The man sees how important it is to control the minds of our people so they can control us, like a dog, try it yourself. It is a criminal and vicious thing to do to a people, to rob them of their culture, religion and all their other factors that gives a person the necessities of living a normal life. We see the board of education like the brothers and sisters of Black Caucus, Afro-American Teachers Association (A.T.A.) and the Black Students Union (B.S.U.). This segregated system is controlled by outsiders, people who don't live in our communities but control all the factors of our lives. (Point number one of our ten point program states: WE WANT freedom. We want power to determine the destiny of our Black community. WE BELIEVE that Black people will not be free until we are able to control our own destiny.) i.e. housing, jobs, businesses, hospitals, politicians police, welfare and all the other things that deal with our survival as a race of people. This is not the equality, justice and freedom for all the man (U.S.) parrots around telling our people they are entitled to. And these brothers have been busy exposing this B.S. to our miseducated people all over the community.

The pigs that run amoke in our community terrorizing Black people are the K.K.K. in disguise: The man sees the threat of a modern slave revolt on the plantation (Queens, Africa, Puerto Rico Harlem, Brooklyn, Bronx, Watts, Mississippi, Loundes County, Viet Nam, Detroit, Roxbury). He will do everything in his power to stop it like he did 150 years ago. This is why our true Black leaders who stand up to defend the Black masses are castrated by the power structure, (United States). Like our beloved brothers Malcolm X, Huey P. Newton, Rap Brown, Martin L. King, Robert F. Williams Eldrige Cleaver, Stokley Carmichael, Herman Ferguson, Arthur Harris, Marcus Garvey. Nat Turner and the many other true Black freedom fighters this racist son of a b_____ omitted from history, or distorted their true purpose. He usually uses his modern house niggers to do it, and the vicious racist press to fool the Black community as well as the well meaning white people who are in sympathy and support of the third world struggle. These modern house niggers run around parroting what their master tells them to, to B.S. you and me and them.

About things getting better (nigger politicians, police niggers, Phd. niggers and poverty program niggers) well, they are getting worse for us as we reallistically see it. Unemployment is twice as high, housing is worse, school is a nightmare to our young. (This is a data report of the scores on reading tests that the 8th graders took at the model example school Shimmer 142 Queens, that Hugh Mc Dugall brages about so much.) The same old handkerchief heads over there come parroting to us, you and me. 290 students (8th graders mind you) will all be in high school next year, 46 reading on or above grade level, 170 reading two years or more below grade level and about 74 reading 3 months to two years or more below grade level. This is meaningful intergrated education?? If so you can have it. The reason? We don't have any say so in it. This is one example, all the schools from college on down produce the same results when it comes to us, non-whites period. Point number 5 of our ten point program states: WE WANT education for our people that exposes the true nature of this decadent American society. We want education that teaches our true history and our role in the present day society.

WE BELIEVE in an educational system that will give to our people a knowledge of self. If a man does not have a knowledge of himself and his position in society and the world then has little chance of relating to anything else.

Get hip people. Find out how to play the same game the man is running down on you and me. When we ask for control of our institutions (peaceful mind you, King style, no offense to the brother, because he tried the best he knew how,

(Black Panther Harrassed, Con't)

and we don't knock a brother for this. But Wilkins, young, and some of these local people (check them out for your self) Mc Dugall's local dist. 28 hordes (no names). This is another picture. The man sends in his troops to occupy us like they did and are doing to our brothers in Mexico, Viet Nam, South Africa, Ocean-Hill Brownsville, Puerto Rico, Cuba, Asia, Japan, Arabia, Dominican Republic, and else where. Check it out for your self, people this is what we must do as brother Malcolm our spinning Black prince taught us. Then decide for ourselves. These pigs, the F.B.I. are modern Al Capones, Dutch Schultze and the lot, running the same con games the thugs ran. And the chiefs, some of your leading politicians, N.Y.S. governer, Mississippi senator, Texas president, Hollywood governer. These people are executing these games to non-offending people all over the world, not just in good old Miss., California, N.Y. (fun city) but Africa, Asia, Latin America, Austrailia. And they will dostroy these brothers one way of the other unless we wake up and get together. We are all suffering people. The pig structure has run the game on us so tough until we can't see it, ask some of the addicts, winos, prostitutes, teachers, storeowners, students, welfare, Phds. See what they say. We're in the same boat, on different maybe.

Brothers Larry and John (Queens, Black Panther Party) are the victims this time, guess who's next! YOU, YOU, AND YOU!

Awaken you mighty race of people and let the pig power structure feel the wrath of the people.

BLACK PANTHER PARTY TEN POINT PROGRAM

1. WE WANT freedom. We want power to determine the destiny of our Black Community.
2. WE WANT full employment for our people.
3. WE WANT an end to the robbery by the white man of our Black Community.
4. WE WANT decent housing fit for shelter of human beings.
5. WE WANT education for our people that exposes the true nature of this decadent American society. We want education that teaches our true history and our role in the present day society.
6. WE WANT all Black men exempt from military service.
7. WE WANT an immediate end to police brutality and murder of Black people.
8. WE WANT freedom for all Black men held in federal, state, county and city jails and prisons.
9. WE WANT all Black people when brought to trial to be tried in court by a jury of their peer group or people from their Black community as defined by the constitution of the United States.
10. WE WANT land, bread, housing, education, clothing, justice and peace. And as our major political objective, a United Nations supervised plebiscite to be held throughout the black colony in which only black colonial subjects will be allowed to participate, for the purpose of determining the will of black people as to their national destiny.

We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness. That, to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that, whenever any form of government becomes destructive of these ends, it is the right of the people to alter or abolish it, and to institute a new government, laying its foundations on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes; and, accordingly, all experience hath shown that mankind are more disposed to suffer, while evils are sufferable, than right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security.
