To white-nationalism;
Build the resistance
To racism,
BUILD THE RESISTANCE!!

Build the resistance
To exploitation;
Build the resistance to capitalism,
BUILD THE RESISTANCE!!

Build the resistance
To the establishment
Of colonies: with/without its shiny new armour;
Build the resistance to Imperialism,
BUILD THE RESISTANCE!!

Build the resistance
At the dawn of each day;
While living the agony
Under white-folks ass,
BUILD THE RESISTANCE!!

Build the resistance
While suffering Inhumanity
At its raw,
From the core;
Pure, unadulterated
Institutionalized MADNESS
Oozing forth profusely,
From amerikanism,
BUILD THE RESISTANCE!!

Build the resistance
When forcibly separated
From Loved-one's: because
Of our sted-fast refusal
To submit to tyranny
& oppression;
BUILD THE RESISTANCE!!

Build the resistance

Build the resistance
While handling the mail (g.p.o.)
For uncle s.a.m.-----sadistic ass mother-----;
Or being detained
In mini-maxi pen,
Joint or jail;
BUILD THE RESISTANCE!!

Build the resistance
While hacking
Yo' gypsy
----being pulled over,
Interrogated, ticketted,

Locked-up & towed-away:
For crossing the territorial
Boundaries of white-nationalism,
Seeking a fare
With-in white-folks Realm;
BUILD THE RESISTANCE!!

Build the resistance
When threatened with eviction
For refusing to
Pay rent for Disrepaired Structures,
So heavy-laden and burdened
With violations, that
City government, itself
Won't rehabilitate; stating: it's not economical...!
We say:DAMN THE COST, OUR PEOPLE
ARE SUPREME,
BUILD THE RESISTANCE!!!

Build the resistance
While searching nay, Hunting
For gas; and you're told:
Sorry!
By the any car loan clients;
Realizing finally (perhaps for the moment?)
The ghetto-colony supply
Has run out; and white-folks
Are first amongst their own,
We're the one's divided internally;
BUILD THE RESISTANCE!!!

Build the resistance
When we are billed:
MORE-TAXES, for
The hiring of yet
More police;
And not made safer
Are our streets;
Living in constant fear
Of rape, robbery,
Drug-infestation or
Para-military repression
Knowing: Organized crimes against
Our People is the
Major pre-occupation
& acitivity of white-controlled government:
BUILD THE RESISTANCE!!!

Build the resistance
Even amongst our own
When nigger-flunkies of
Our oppressor,
Collaborate against the MASSES,
Seeking wealth
At the expense of FREEDOM;
Renown at the cost
Of JUSTICE:

Betraying the Sacred Cause
And historical Mission
Of our Noble People;
BUILD THE RESISTANCE!!!

Build the resistance
While escalating domestic weeding out
Dealing mandatory DEATH to Traitors,
Infiltrators
& informers;
As a Free and Self-governing
People, truly independent:
WE SHALL DETERMINE OUR OWN DESTINY:
BUILD THE RESISTANCE!!!

Build the resistance
To emotional reactions
Which cause us to act rashly,
Preferring instead: a calculated-response
Lending credence
To our scientific-approach;
BUILD THE RESISTANCE!!!

Build the resistance
In the bed-rooms & pre-natal clinics
Build the resistance in the labour
And delivery rooms, in the cradles, day-care
Centers, nursery, head-start and
The classroom; build the resistance
In the high schools, colleges
And on campus:
BUILD THE RESISTANCE!!!

Build the resistance
While slave-in'
On a gig, receiving servants
Pay without due consideration/compensation
Knowing: there are but
Two actual job distinctions: manual
Or intellectual labor
Employed: for or against
Our People;
BUILD THE RESISTANCE!!!

Build the resistance
Amongst our People
---in the community, the homes
The parks & on the street-corners;
On the stoops, roof-tops
In the churches, temples & mosque's:
BUILD THE RESISTANCE!!!

Build the resistance
In the bars, restaurants,
Launderette's
& funeral-homes/going to the cemetery
When necessary to serve our PEOPLE
An' strengthen the struggle;
BUILD THE RESISTANCE!!!

Build the resistance
Up & down; in and
Out, here an' there...through an' through
And by and by!
BUILD THE RESISTANCE!!!

Build the resistance
In the welfare centers
Where we're prohibited
From faring-well;
And in the check-cashing places
That make money
Off the money "alleged"
To ease our money problems...
...Big-brother can subsidize
These operations easily by
Taxing the corporations;
BUILD THE RESISTANCE!!!

Build the resistance
While watching T.V.
.....the communications net-work
Mis-used to perpetuate
The MYTH of upright amerikanism:
BUILD THE RESISTANCE!!!

Build the resistance
To cultural aggressions
---having been designed
To detect, corral, suppress
Our every thought
Of rebelling;
BUILD THE RESISTANCE!!!

Build the resistance
While going to the cooker
After visiting the cop-man
Who may be a cop anyway;
An' load that stuff
Into your syringe-----then
Do some righteous SHOOTING - UP
For the REVOLUTION/OFFING THE OPPRESSOR:
BUILD THE RESISTANCE!!!

Build the resistance
While coming off of drugs,
Be it Heroin, methodone, pills
Or alcohol;
And DEVELOP YOUR-SELF!
PREPARE for the STRUGGLE
To detoxify
Our People's existence:
BUILD THE RESISTANCE!!!

BUILD THE RESISTANCE, THE COLLECTIVE-WILL
TO RESIST: OPPRESSION,
RACIST-COLONIZATION, CONTROL
AND EXPLOITATION; and once
WE have Constructed the RESISTANCE

As such
We will have a glimpse
Of what LIBERATION
Is all about
-----A PORTRAIT OF WHAT
FREEDOM IS!!
BUILDING THE RESISTANCE!!!!!!!!!!
