Good Evening ~~Brothers & Sisters~~
As Garrison Chairman -

Hi how you
How y'all doing - In the
Roar of the Panther - All Power
to the People

Brothers and Sisters

What evening we invite you here
not stick our ego on boast and prize
about our heroic greatness.
we bring you here to share of our
experience,

To journey into a world that
has cost us lives, family ties, heart aches
and pains but on experience that has
~~passed~~ aside the Black Oppressed in the
country and abroad for our experience
~~we have~~ we have risked death at an
early age / and certainly our ~~inferior~~
names been far from crystal stars

Journey w/ us we ~~unfaded~~
what is there to celebrated

What is the legacy of the BPP.

Is it hijack w/ guns, Is it life
Prison ~~sentences~~ / and dog cap killers
or Is Black men and women young Black
men and women fighting for - 10 pt.

Freedom - what is the ~~history~~ of the

Topic Education Educate to liberate

The --- of our progress as a ^{race} people depend
much ~~not~~ upon education. our minds -
I believe that we cannot go forward unless
we make ~~that~~ education a priority on
our agenda. unless we recognized education
as a necessary and essential tool for our
liberation ~~and~~ in doing so we should
make it a priority on our agenda for liberation
we do not need anymore evidence to demonstrate
that the state will not educate our youth
Critical Thinking - A Tool for Liberation
Ability to Communicate
understanding of self and place in the
world

The thing that ~~disturbs~~ us from
the rest of the animal kingdom is our
ability to think, our quest for
more quest for knowledge -

have sought to blashen from the pages of history
with the promise of hatred and vengeance.

Notes for Speech on February 22, Bl. History month.

I guess some might say the Seventy's
was the decline of a very ~~5th~~ short lived
~~period~~ but ~~is~~ very profound period in history
that many have sought to black out with
vengeance while others, because of bitterness,
shed pains and bitter pain it has left has
be chosen ~~all~~ selective amnesia.
~~you~~ I was not asked to speak
on this period however.

70's

A time of Chaos

" " " pains, death, growth, a time
of retreat and reflection (80's)

Open War on B.L.M., B.L.A. in particular

Although small ~~was~~ victory in Abbott
liberation zone - - - speak to Ashanti about
others of the B.L.M. suffer great casualties -
and setbacks (cite examples) -

A seed of mistrust had been ^{any} ~~our~~ ^{unplanned}
planted we were force to go on ~~the~~
defense, when I looked back on retrospect
on the period - it is of little wonder that
how we survived it. God take care
of fools and babies we were scabbed

~~partly~~ across the country some over seas -
Running for our lives. Everyday seem like
some Comrade's life was ended in a
gun battle with the enemy - There was
little time to moan or grieve bury our
dead a task left to families -

1971 F. B. I began an expensive Counter-
Intelligence program against the Party

Perit's

discipline

Conditions they some increasingly worse
most dangerous health hazardous. were
Racist, members, heavy flaps and burning
crosses -

Breakfast Program take-off from
BPP's program like Breakfast Program
Applied force to greedy business men
to make them put back into the
community what they took out

There of few is one of serious Business
songs that goes like this Hollywood
sent Reagan w/ a master plan -
well the Black Panther Party was
sent by Hollywood, but more importantly
