Dear Dr. Wynn:

This is just a note to acknowledge receipt of your very kind letter of February 13. Thanks so much for your kind encouraging comment on my article which appeared in The Christian Century.

I was deeply shocked to hear of the tragic catastrophe that befallen the historic chapel of Tuskegee Institute. You certainly have my deepest sympathy in the midst of such an experience. I plan at a very early date to make a contribution toward the rebuilding of the chapel. I hope your activities are not being inconvenienced too much as results of the fire.

Very sincerely yours,

M. L. King, Jr.
