Dear Dr. Gore:

The State Leaders who accompanied their 4-H Club delegates to the recent Regional Encampment held at Virginia State College, expressed the hope that a resume of camp activities be furnished the Presidents of colleges in each of their several States.

I am therefore sending a copy of the summary statement submitted to Director D. W. Watkins, Chairman of the 4-H Club Camp committee, for your perusal.

Any comments which you may care to make will be appreciated.

Yours truly,

TO FRIENDS OF T. M. CAMPBELL:

Mr. T. M. Campbell, Field Agent, who has served nearly forty-seven years in Extension Service, retired February 28, 1953. It is proposed to present him with a bound volume of letters from friends who have been associated with him through the years. It is planned to present these to him during the Regional 4-H Camp, June 8 - 15, 1953, at Kentucky State College, Frankfort.

We thought perhaps you would like to join Mr. Campbell's friends in sending him a letter. It will help the editor of this booklet greatly if you will:

1. Write your letter on bond paper, size  $8\frac{1}{2}$  by 11 inches.
2. Write on one side of sheet, not too long, make it informal.
3. Leave  $1\frac{1}{2}$  inch margin on left side of sheet.
4. Do not fold, use cardboard to keep letter straight in transit.
5. Send letter so it will arrive in my office by May 15.
6. Please observe dead line.

Sincerely yours,
