Re: Brown III

Dear Bill:

Lucy Nieves, my secretary, is sending you a transfile containing the school board documents provided to us in answers to our interrogatories. At the outset of the transfile are copies of the interrogatories and several partial summaries of the questions and answers.

Also coming your way are the preliminary working maps you prepared in the fall of 1982 in Topeka.

One major document is missing from this stuff: the maps of the secondary school zones. We promise to get these maps copied, with the originals sent to you, within a week.

I'll be back from my next vacation on Monday, February 6, and I'll give you a call shortly thereafter. If you have questions in the meantime, please call Lucy Nieves or Elvia Rosales (Dubin's replacement).

February is a beautiful time of year in New York. I'm certain you'll love it.

Sincerely,

E. Richard Larson
